SELECTMEN'S ANNUAL REPORT

This year's cover picture is a picture of Danbury Square, before route 4 was put through and before the roads were paved. It is an appropriate picture for the cover of our annual report for our Bicentennial year, 1976. Our Bicentennial was not un-noticed here as we did participate in the celebration with several local projects, including the erection of street signs and a new plaque in front of the United Church in honor of the Revolutionary War Veterans. Danbury was designated as an official Bicentennial Community with a celebration attended by many at the Elementary School which was attended by the Governor and many state and local dignitaries as well as about 450 enthusiastic Danburians.

Town Meeting left the Selectmen with many tasks to perform, among them, the chore of entering into a landfill agreement with a private landfill. This task has been performed and we have a three year agreement with Turnkey Landfills of Danbury, Inc. at the rate of \$5.00 per capita, or \$2,725 per year.

We were also given permission to attempt to acquire the former state highway sheds on North Road for the Highway Department's use and that has also been achieved, and the Highway Department is using those buildings now.

Our Tax Map is well under way and a copy will be available on Town Meeting day for all those interested to glance at.

Reggie Glines is retiring this year after serving over 13 years as our road agent, and our many thanks go to Reggie for the fine job he has done and the great improvements in the roads and their maintenance since 1963.

Two of the Fire Commissioners left us this year, Ray J. Martin retired after 25 years as a commissioner and Sylvester (Bus) Pulver's death left a vacancy. Our many thanks go to these fine gentlemen who dedicated so much time and energy to the Fire Department to make it an efficient, quick and able company which has a high record of safety and success.

The Highway Department this year completed the mixing of North Road to give us a new Road from the Village to the top of Robie Hill now, which is quite an improvement over the old bumpy, narrow road we had not so many years ago. More work was also done above Waukeena Lake to complete widening that stretch of road which was formerly very narrow with no places to

pass and several dangerous corners and hills.

An increase in this year's taxes was caused by a county budget which has grown out of hand, to be 48% higher last year than the year previously, and a school budget increase that was also healthy. The town budget increased as well last year, but this year's budget is less than last year's. The county takes 10½% of every tax dollar, the town takes 23.8% of each dollar and the school takes 66% of the money.

Town Meeting is on March 8th this year with the polls open from one to six and the business meeting beginning at 7:30. Hope to see you all there.

TOWN WARRANT**The State of New Hampshire**

To the Inhabitants of the Town of Danbury in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Town of Danbury on Tuesday, the Second day of March next, at one of the clock in the afternoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year. Business meeting on all other articles to begin at 7:30 P.M.

2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

3. To raise such sums of money as may be necessary for the maintenance of highways.

4. To see if the Town will vote to raise and appropriate the sum of \$940.68 and receive the State contribution of \$6,271.22 for TRA.

5. To see if the Town will vote to transfer any unexpended sums appropriated for civil defense and the Forest Fire Division to Capital Reserve funds at the end of the year.

6. To see if the Town will vote to authorize the Selectmen to sell real estate taken by the Town for non-payment of taxes or by Collector's deed.

7. To see if the Town will authorize the selectmen to borrow money in anticipation of taxes.

8. To see if the Town will raise and appropriate the amount of \$3,000.00 for the Capital Reserve Fund for Highway Equipment.

9. To see if the town will raise and appropriate the sum of \$2,000.00 plus \$285.00 for principal and interest on the long term fire truck note, and authorize withdrawal from the revenue sharing fund established under the provisions of the state and local assistance act for use as a setoff against the above principal

payment of \$2,000 incurred for "priority expenditures" since January 1, 1972.

10. To see if the town will vote to authorize the selectmen to accept gifts and/or Federal or state aid in the name of the Town of Danbury.

11. (BY PETITION) To see if the town will vote to raise and appropriate the amount of \$100.00 for the Jiminy Cricket Kindergarten. This money to be used only for equipment for the school.

12. To see if the Town will vote to raise and appropriate \$2,000 for bridge repairs and authorize the withdrawal of this amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

13. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as setoffs against budget appropriations in the amounts indicated below; and, further to authorize the selectmen to make pro rata reductions in the amounts if estimated entitlements are reduced or take any other action hereon:

APPROPRIATION	ESTIMATED AMOUNT
Police Department	\$2,000.00

14. To see if the Town will vote to raise and appropriate the amount of \$2,000.00 for the purpose of relocating the Town Shed.

15. To see if the Town will vote to raise and appropriate the amount of \$2,000.00 to be used for appraisal of lands, and/or any other expenses incurred in acquiring a recreational park and to authorize the Parks Committee to negotiate for the same.

16. To transact any other business that may legally come before the meeting.

GEORGE GAMBLE LIBRARY REPORT

LIBRARY HOURS: Tuesday 6:30 to 8:30 p.m.
Saturday 1:00 to 3:00 p.m.

CIRCULATION: 1,331

BOOKS RECEIVED FROM BOOKMOBILE: 1,348
LIBRARIAN (through August): Lena Hunt

PRESENT LIBRARIAN: Gayle Cook

We are sorry to report that our Library has been dropped by the N.H. State Library. We do not meet their requirements. Some of the necessary requirements were to keep the library open twelve hours a week instead of four; the librarian would have to attend Plymouth State College twice a year for a ten week course in library work. This would call for the library budget to be increased and we feel this would be an unnecessary expense for the town. Therefore, we are asking for an increase of \$250.00 for next year to buy new books.

We are in hopes of having a summer reading program for school age children this year.

We hope to do some repairs to the outside of the library with our Revenue Sharing money.

We wish to thank the following people for their gifts to the library:

Barbara Ford

Juanita Fields
Lena Hunt
Mr. and Mrs. Donald Towle
Mrs. John Knott
Mr. and Mrs. Francis Grant

DANBURY VOLUNTEER FIRE DEPARTMENT

Fire Commissioners' Report

The members of the Danbury Volunteer Fire Department want to express their deep appreciation to the public and taxpayers who have generously helped the Department through the purchase of tickets for our monthly raffle, the purchase of chances for the annual gun raffle and by attending and contributing to our annual turkey supper. The proceeds from these activities go to the Firemen's Fund. During 1976 \$4,100.00 of the fund was used for operating expenses, supplies, and equipment.

In 1976 our new pumper became completely operational with the acquisition of 300 feet of 2½ inch, & 200 feet of 1½ inch Hose. Revenue Sharing Funds were used for this purchase. The Department also purchased two Scott "Air-Paks" as protection against smoke inhalation. The \$1,000.00 voted for the Fire Department at last year's Town Meeting was used to defray most of the cost. (see treasurer's report)

The old C.D. pump has been removed from the truck chassis that transported it and that truck is being converted to a tanker. A 900 gallon tank has been fabricated and mounted on the chassis. At present we are using a portable pump to draw the water carried. However the installation of a mid-ship pump, booster hose and reel and related hardware and equipment has been contracted for. The cost to the Department for this installation will come to well over \$3,000.00. We therefore ask that the residents of Danbury approve our request for \$1,500.00 to help defray the cost. With the completion of the new tanker the quantity of water we can transport to a fire will be increased to 3,000 gallons, thus giving you greater protection.

The Department wants to publicly acknowledge the loyal and dedicated services of Ray J. Martin who resigned, in Sept. 1976, as a Fire Commissioner, after 25 years in that position, and John W. Wentworth Jr. who resigned in Dec. 1976 as Fire Chief after 12

years in the job. We thank them for a job well done.

REPORT OF DISTRICT FIRE CHIEF

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.

REPORT OF FOREST FIRE WARDEN

Another year is behind us and 1976 was another excellent year for the people of Danbury as far as forest fires were concerned.

With the amount of undeveloped land that Danbury has and the amount of undeveloped roads, Danbury came out with a Class A-1 rating.

It shows that people on the whole, respect our scenic roads and

countryside and more so, respect fire, which is one of man's worst enemies.

Due to everybody's cooperation with the Forest Fire Department, we have not had to ask for an increase in years from the town appropriation and sincerely hope we never do.

With our landfill now, which is not open all the time, more people will be using home incinerators and we are looking for an increase in permit applications. If you are thinking about an incinerator, please get to know how to use it and the regulations before you start. Thank you all for your cooperation over the past year.

MYRL C. PHELPS, Forest Fire Warden

**COMMUNITY ACTION PROGRAM
BELKNAP-MERRIMACK COUNTIES, INC.**

As you know, Community Action Program generates funds by attempting to mobilize any available Federal, State or private monies for the continuation of services to the low-income people in Belknap-Merrimack Counties.

In addition, we rely on local tax dollars to help support the operations of our neighborhood center. The neighborhood center provides the basic framework for outreach, program development, and needs assessment as well as making it possible to provide direct services in each community. These services are in great demand this year due to continued unemployment and inflation.

Over the past eleven years, Community Action Program has administered programs which help low-income people become self-supporting and self-sustaining by opening up economic opportunity; mobilizing the resources of the entire community to devise local programs which show promise of eliminating poverty and by enabling the poor through program participation to become involved in their community. In addition, our center works in cooperation with other agencies to avoid duplication of services. Although we no longer hold the county Manpower contract, we still provide cooperative services to Merrimack County Division of Employment and Training.

The enclosed budget reflects the minimum costs to continue operations of the Franklin area center and Tilton Housing Office. I respectfully request your formal review and consideration that an item be placed in the budget in the amount of \$296.00 and an article be placed in the town warrant to read as follows, "to see if the town will vote to raise and appropriate the sum of \$296.00 for the continuation of services to the low-income people of Danbury through the Franklin Area Center of the Community Action Program, Belknap-Merrimack Counties, Inc."

The amount requested is based in the total amount needed to be raised from the town (\$19,731.00) to operate the center system in relation to resident participation in available programs and services (1.5%).

Enclosed for your review, is a copy of the budget and a list of Community Action Program services.

The staff of Community Action sincerely thanks the residents of

Danbury for their support in the past and hopes that the selectmen will give positive consideration to our request so that we may continue services to the poor in your community and the surrounding towns.

Sincerely,
William R. Guinther

BELKNAP-MERRIMACK COMMUNITY ACTION PROGRAM

Services available to residents of Danbury during 1976. (It is important to note that if it were not for the existence of the Franklin Center and Tilton Housing Office, many of these services would not have been available to Danbury residents. We are part of the community, we devise programs according to need from local input, we look to outside sources to fund the programs, then we provide the service from our center to your town.)

KVNA services during 1976 have expanded considerably and such services have been especially beneficial to the Town of Danbury. The attached nursing report lists the available programs through KVNA. In addition, an Immunization Clinic was held at the Danbury Central School. Kearsarge Regional was the site of the largest preventative Immunization Clinic for high school students in the state. We all recall the recent Swine Flu Inoculation effort.

Figures for the end of December, 1976, show a total number of disease control (i.e. skilled nursing care which includes care of catheters, colostomies, dressings, blood pressure check, injections, etc.) in your town to be 80 to compare with 18 such visits at the close of 1975. Disease Intervention, (i.e. visits which include preventive testing, health guidance and support, counseling, teaching) - all at no charge to the patient, total 98 and that compares to 45 total at the end of 1975. Homemakers visits, physical therapy, speech therapy, and occupational therapy add even more to your town's benefits.

Your town's appropriation for KVNA is based on \$1.50 per capita for a full year. The Finance Committee has decided upon the necessity to set the appropriation at \$1.50 as compared to \$1.25 for 1976. However, you will note that your percentage of participation remains the same. This is the first increase since KVNA's inception in 1970.

Consequently, the amount asked from Danbury is calculated on your population of 540 (June 30, 1976) and totals \$810.00.

Danbury makes up an integral portion of the Kearsarge Visiting Nurse Association. We are pleased to be able to serve your

community and project a continued expansion of services to all participating towns. For this progress we need your continued interest and support.

Sincerely yours,
Jane Heald, Administrator

DANBURY BICENTENNIAL COMMITTEE REPORT

Last Town Meeting the Danbury Bicentennial Committee proposed two projects and requested funds to be matched by the American Revolution Bicentennial Commission. We also announced we were applying for status as a Bicentennial Community.

We are pleased to report successful completion of everything proposed last March.

Due to cooperation from the PTA, the school children, the American Legion, the Danbury Historical Society, the Selectmen, the Blazing Star Grange and many selfless individuals of all ages, we had a most exciting ceremony on May 16, 1976. 450 people attended the celebration of Danbury's designation as a Bicentennial Community, including a large contingent of state and local politicians. The Town received a Bicentennial flag and a certificate.

The Town's major roads were named and signs were erected at intersections. Tasteful colonial style signs announcing arrival in Danbury are to be placed when weather permits.

Danbury's Revolutionary War veterans are honored by a bronze tablet on the soldier's monument at the United Church of Danbury.

The Committee is grateful for all the acts of kindness and generosity during 1976.

NEWFOUND AREA BICENTENNIAL COMMITTEE

The Newfound Area Bicentennial Committee has been meeting monthly since May, 1975 to plan and carry out appropriate events and projects commemorating the two hundredth anniversary of the American Revolution in six area towns: Alexandria, Bridgewater, Bristol, Danbury, Groton and Hebron. The focus of the Bicentennial has been Heritage, (recalling the past); Festival (celebrating); and Horizon (planning for the future). Projects of the Area Committee have intentionally reflected these national aims.

Committee sponsored events have also been designed to promote good will, cooperation and mutual aid among the member towns. A list of events and projects reflects such a spirit:

1. four signs, "Happy Birthday America"
2. refurbishing two vintage drums for use by New Chester Fife and Drum
3. sale of Newfound Area Bicentennial Calendars, with historic scenes from each town
4. two colonial clothing workshops
5. sale of Newfound Bicentennial tea tiles
6. purchase of four new drums for the Newfound Fife and Drum (children's group)
7. support of colonial ball, March 27
8. support of the C.Y.O. cookbook
9. New Hampshire conestoga wagon, sponsored by the Baha'i group
10. Fourth of July parade
11. fireworks at Newfound Lake
12. two concerts by the Pemigewasset Choral Society
13. magic show
14. reprinting of the Bristol/Bridgewater history
15. Bicentennial parade in August
16. support of the caravans for arts, crafts and drama from the University of New Hampshire
17. Fife and Drum boat parade and concert at Newfound Lake
18. Thanksgiving Dinner, November 13

Individual town committees were active highlighting events and

personalities important in local history, and promoting pride in each community. Your committee's report is included with this 1976 Town Report.

A visitor to our area remarked, "You people have caught the Bicentennial spirit and made it come alive all year. You folks really turn out, and in costume, too! How did you involve so many people, especially the children?"

The answer is that members of the Area Committee have worked together for nearly two years in order to provide constructive leadership and a positive influence upon our neighborhood of rural towns. However, the Committee did not work in isolation, but depended heavily upon the support of many committed people in each town. People of all ages.

Some ask, "Aren't you tired of the Bicentennial?" No! Unless one tires of our American heritage of national and local pride, neighborliness, mutual respect and hard work. Let us not tire of dreaming dreams for the future.
